HARDING INVITES THREE DEMOCRATS TO CONFER

SENATORS REED, SHIELDS AND POMERENE WILL DISCUSS THE LEAGUE WITH THE PRESIDENT-ELECT

WILL TAKE UP "NEW" ASSOCIATION

Washington, Nov. 23.—Harry M. Daugherty, close friend of President-elect Harding revealed in a statement today that Harding has invited three Democrats to confer with him at Marion during December "regarding his new association of nations" and the new international policy of the United States. They are Senator Reed, of Mo., irreconcilable, Shields of Tenn., who favors strong reservations and Pomerene of Ohio who is known to be in accord with President Wilson.

Republican leaders invited for a conference Daugherty said, included Senators Lodge, Poindexter, Knox, Borah, Johnson, Elihu Root, Ex-President Taft, Chas. E. Hughes and John W. Wickersham.

HOG PRICES CONTINUE ON DECLINE ON PRACTICALLY ALL THE MARKETS

Pittsburgh, Nov. 23.—Hog prices fell 75c on the local market today, selling at \$10.75 and \$10.50. The cattle and sheep market was dull and steady.

Chicago.—Prices in hogs on the Chicago local market dropped 75c since yesterday's close. The price was \$10.25.

Indianapolis.—Hog prices continued to drop on the International Live Stock Market today. The price was \$9.25 with the bulk selling at \$10. This is the lowest price on the local market since 1912.

HARDING WILL ARRIVE AT CRISTOBAL TODAY

Aboard the Steamer Parismina, Nov. 23.—The Parismina carrying President-elect Harding to the canal zone on a vacation trip was expected to dock today at Cristobal. He will visit the President of Panama at Panama City. He will eat his Thanksgiving dinner with the President of Panama Thursday.

SOME OF THEM LIVE THROUGH IT

She goes to the cobbler to have her shoes mended.
The carpenter fixes the rail on the stairs;
The plumber who plumbs, by his helper attended,
Is called when the pipes are in need of repairs;
But when her sweet children are under the weather
She takes down a bottle or two from the shelf
Where nostrums and poisons are jumbled together,
And doctors the innocent victims herself.

FLAG RAISING THANKSGIVING DAY

Washington Camp, No. 591, P. O. S. of A., will present a handsome American flag to the Waterford school and the flag will be raised with appropriate exercises on Thanksgiving afternoon, beginning at 2:30 p. m.

The presentation will be made by Hon. J. E. Phillips, County Supt. W. P. Trumble will accept the flag on behalf of the school.

The principal address of the afternoon will be delivered by Hon. W. I. Skowpe, Deputy Attorney General of Pennsylvania.

The American Legion band will furnish the music for the occasion. Jitney service between Clearfield and the school, which is located near the concrete bridge at Clearfield creek, will be maintained during the afternoon at a 10c fare.

CURWENSVILLE ROAD WILL NOT BE OPENED TIL DEC. 6

We were mistaken in our story last evening regarding the opening of the state roads in this section and the elimination of detours. There is just one road that will be closed until Monday, December 6th at least, and that is the road to Curwensville. The contractors are working hard to complete the concrete thru the Narrows and up as far as the Jeff Bloom barn and when this is finally completed the road will be opened for the winter and the back road detour eliminated. We are indebted to County Superintendent of Roads Westcott for this information.

Miss Peggy Murphy has returned from spending the week end with relatives in DuBois.

Let Us Be Thankful

SABBATH SCHOOL OFFICERS CONFER ON BIG PROGRAM

The great Sunday school campaign for Clearfield got its initial start last evening when the officers of the County Sabbath School Association met a contingent of the state officers for consultation. After a lunch at The Jordan they proceeded to the Lutheran parsonage which was very graciously offered by Rev. Houser. A very interesting and instructive meeting was held. Hon. Ives Harvey who is vice president of the State association gave a very interesting talk and laid special emphasis on the service challenge for 1920-21. Each district and local officer, he pointed out, must do his full duty to make it a success. Increased attendance, better officers and teachers, more meetings of district officers, religious survey, in short more work for the officers is necessary to attain the goal. Miss Anna G. Lemen, superintendent of the children's department of Pennsylvania gave a talk on the duty of parents and teachers and spoke of the thousands of boys and girls in Pennsylvania who do not attend any Sunday school and suggested ways and means by which they could be brought into the Sabbath meetings. Among the county officers present were John A. Dale, of Curwensville, Miss Purdon, of Maderat, Mr. and Mrs. George Benn, of Coalport; Rev. Snyder, of Westover; Rev. Wineburg, of Cherrytree; Mr. and Mrs. S. C. Watts, of Curwensville; S. S. Barrett, of LeJosa; E. C. McNeal, of Glen Hope; E. G. Sawyer, of Ansonville, and Russell Hanev and Joseph E. Phillips, of Clearfield.

INDIANA "FIREBUG" MAKES CONFESSION TO JUDGE LANGHAM

Francis H. Davis, a member of Troop A, State Police in a statement made to Judge Langham, of Indiana county, late Saturday, admitted his guilt in connection with the six incendiary fires that partially destroyed the Central hotel, Indiana, November 6, 7 and 8.

He also confessed to having started the fire that destroyed one of the state buildings at the state police training station at Newville, this state, in August of this year.

Davis joined the state police July 1, of this year, and after his period of training at Newville, was assigned to Troop A at Greensburg. He was sent to Indiana November 1 as a member of a special detail and five days later, the first of a series of fires broke out in the Central hotel. In the succeeding three days five fires occurred, practically gutting the hotel. The last five of the fires occurred while the hotel was under close guard of state policemen and citizens, Davis being one of the guard of state policemen. Despite the vigilance of the police and citizens he managed to start the five fires in the hotel. Twice he was fired at by the members of the detail, but each time he escaped.

Members of the state police detail suspected Davis and on Tuesday he was taken to Greensburg where officers of the troop subjected him to a severe grilling. He finally admitted having started the fires. He was returned to Indiana late Saturday and formally charged with arson. In his statement to Judge Langham he amplified his confession of the Thursday previous and admitted burning the state building at Newville.

In his confession Davis said that there were times when he had an uncontrollable desire to see things burn. He is believed to be a paranoiac and it is probable that a commission will be named to inquire into his sanity.

URBANSKI—BRODISH

August Urbanski of Munson and Mrs. Alfreda Brodish of Winburne, were united in marriage at the Lutheran parsonage on Monday afternoon. The double ring ceremony was used. The happy couple will reside at Munson where Mr. Urbanski has already secured a home.

ELKS MEMORIAL SERVICE

Clearfield Lodge, No. 549, B. P. O. Elks are arranging for their annual memorial day service which will be held in the Driggs theatre on Sunday, December 5th. A highly interesting program will be given.

NOW THE CLERK WILL HAVE TO MAN THE HOSE

A Market street business man was one of the principals in an encounter Monday morning which gave promise for a time of being "some battle". The merchant in question got around a little extra early and as the usual crowd of Sunday loafers had deposited an unusual amount of dirt and debris in front of his place of business he decided he would surprise the junior clerk by getting out the hose and washing the pavement.

When he attached the hose and started in flushing the sidewalk he noticed a "lady of color," or a color of lady, holding up the corner while waiting for the 8:30 jitney for East End. The water gurgled and splashed over the flagstones and finally, when it came pretty close to the lady, she remonstrated with the wielder of the hose and told him to be a little "keerful about whar that ar water am going." The lady was advised to step out of the way and after a great deal of verbal backwash did so.

The dialogue between the two attracted some attention and soon a fair-sized audience was watching the affair from all sides.

When the lady moved away from in front of the hose all went well until some water splashed on a battery suitcase she had left on the sidewalk near the building. That was the last straw and with arms akimbo the dusky Amazon marched right up to the busy cleanser and landing a vicious short arm jolt in his floating ribs announced that one more splash on that suitcase would get him a bust on the snoot.

Being a man of peace the merchant controlled his rising anger, while he regathered his wind, and the fortunate arrival of the jitney closed the incident without any more blows being struck, much to the disappointment of the spectators who were just doing on that scrap.

Mrs. Hobart Callahan returned last evening from visiting relatives and friends in New York City.

John E. Toole has returned from a business trip to Altoona.

BUS DRIVER SHOTS

Charles Pelter, driver of the Lewis-town-Bellefonte bus line across the Seven Mountains, shot a fine specimen of bobcat on November 15th while making the trip from Bellefonte to Lewistown. The bus was on Nittany mountain just above Pleasant Gap when the cat ran across the road in front of the car evidently started from cover by hunters on the mountain. Pelter saw the animal and having a gun with him shot it. The wildcat measured four feet from head to tip of its tail. He will have the animal mounted.

CORONER'S JURY OF WOMEN IN ERIE HOLD PUBLIC OFFICIAL FOR DEATH

Erie, Nov. 23.—A coroner's jury of women today held Martin C. Cornell, City Solicitor, responsible for the death of Wm. Schultz a traction employee who was killed by an automobile last week. The jurywomen were very grave as they returned the verdict. Some of them wept. Cornell was released on his own recognizance. County Detective Martin said he would prefer a charge of involuntary manslaughter against Cornell. Cornell declared he was home in bed when Shultz was knocked down. Police allege they traced the automobile to Cornell's garage.

CHICAGO BANKER SEES BUSINESS ON STABLE BASIS BY EARLY SPRINGTIME

Chicago, Nov. 23.—Revival in business on a stable basis next spring was predicted today by James B. Forgan, chairman of the board of the First National Bank here. "In a few months readjustment will be complete and business will be on the upward trend again," Forgan said. "We are passing through a trying period. Every one must bear his share of the unavoidable loss incidentally to establish a generally low level of prices but the readjustment will not cost heavily in failures," he said.

RED CROSS WORK IN THIS DISTRICT FULLY OUTLINED

The Executive Board of the Clearfield Chapter, A. R. C. wish to place before the public in every detail the work of this chapter.

The money in the Red Cross treasury belongs to the people and is only placed in the hands of the organization to be held in trust, for community work and world wide relief.

There are at present employed by the Chapter, three nurses, Miss Withrow, stationed at Mahaffey; Miss Lockard, stationed at Houtdale; and our Supervising nurse at the headquarters in Clearfield. These nurses serve in the districts surrounding their center and have already covered every township in the Chapter, with school examinations and follow up work.

The fourth nurse, Miss Miller, is employed by the school board for school work in the borough.

The cost of transportation for two months, as the nurses have gone about their charitable work, has been \$34.96. This has been more than covered by the fees for nursing, amounting to \$38.65, which have been turned into the treasury.

This nursing service is for rich and poor alike and the small fee charged is not asked where families are not able to pay.

From month to month the report of the Supervising Nurse will be printed in The Progress.

There will be in the course of a few days a bulletin board placed near the court house, where the passerby can read, if he chooses, the report of the Red Cross activities in the Clearfield Chapter and if any further information is desired, we beg that you will phone or come to Red Cross headquarters, 2nd floor Murray building, where your questions will be answered accurately.

CLEARFIELD "Y" NOW READY TO DO COMMUNITY WORK

Several hundred people visited the remodeled Y. M. C. A. building last evening and enjoyed the entertainment program provided while looking over the commodious building and marveling at the advantageous changes wrought by the committee on repairs.

Every visitor was pleased with what he saw and Clearfield can now truthfully boast of a real Y. M. C. A. and a real building.

Secretary Cook was on the job at every turn last evening and extended the conveniences of the institution to all Clearfield.

The new quarters are handsomely furnished and nothing is lacking for the comfort and convenience of visitors. The "Y" building as it is now arranged is what Clearfield long has needed. Show your appreciation by taking out a membership.

MOOSE GRAND LODGE OFFICER HERE TODAY

Fred H. Brigman, of Pittsburgh, District Deputy Supreme Dictator will visit the local Moose lodge this evening in the interest of the "Baby Village" movement. The L. O. O. M. maintains a children's home and industrial school at Moonchart, Illinois, which is recognized as one of the very finest institutions of its kind in the country. The order in this way looks after the orphan children of its members and equips the little people to fight life's battles.

The "baby village" movement was inaugurated at Moonchart by Philadelphia lodge some time ago and has already met with popular approval among the members of the order, and it is for the purpose of acquainting local members with the very much worth-while proposition that District Deputy Brigman comes to Clearfield tonight.

Every member of the lodge should be present tonight. An oyster supper will be served.

WEST HIDE YOUNG PEOPLE BUCKWHEATS MAKE THE WILD TURKEY WILD

Luther R. Hill and Miss Ethel M. Cramer, popular West Side young people, were united in marriage yesterday afternoon by Rev. C. C. Snarely of the West Side Methodist Episcopal church. The ceremony was performed at the home of the bride's parents, Mr. and Mrs. Nelson Cramer on Textile avenue, in the presence of the immediate families and a few of the close friends of the young couple. Following the ceremony and congratulations, an elegant wedding dinner was enjoyed after which the new lyweds repaired to their new home, corner Turnpike avenue and Nicollet street, which had been fitted up and furnished for their occupancy. The groom is a son of Mr. and Mrs. Ashley R. Hill and is a promising young man. His bride is a sweet, winsome girl possessing all the graces and accomplishments necessary in the making of a fitting helpmate. They have the best wishes of a host of friends for a long life of happiness together.

JAKE HAMON, OKLAHOMA OIL KING SHOT

ARDMORE, Okla., Nov. 23.—A search extending from Oklahoma to California was instituted today for Mrs. Clara Hamon, of Ringling, Oklahoma, charged with shooting Jake Hamon, millionaire oil king and National Republican Committeeman. Mrs. Hamon's maiden name was Clara Schmidt and she is a relative of the committeeman. County Prosecutor Brown filed charges of intent to kill against the woman and information charging the couple with a statutory offense. The charges were filed with the Justice of the Peace. Mrs. Hamon is said to be fleeing to California. She checked her baggage to Kansas City but failed to leave on the train she intended. Officials tried to apprehend the woman before she crossed the state line. The first reports were that Hamon had accidentally shot himself while cleaning a gun in a local hotel where he lived. He was getting ready for a hunting trip. His condition was serious it was said. Frank Ketch, his secretary, who issued a statement declaring the shooting was accidental, refused to alter his position when he learned of the charges against the woman.

Turkey experts Knepp and Bowman say a turkey never gets real wild until he is stuffed with buckwheat cakes and the more buckwheats they get the wilder they become. They offered to prove by Bill Bock, who was in their party, that their turkeys were wild as March hares, and Bill agreed they were, qualifying his statement by saying Knepp's turkey flew up onto the straw stack and from thence to the top of the silo before the farmer they got him from could "cut him down." Bill further said the farmer told him while they were catching the turkeys that he would rather have Clearfield hunters come along and pay him \$5.00 per head for his turkeys right at the barn than have to ship them to market. He realized more out of them and only had to point out the ones to shoot.

BRAKEMAN SLIPPED FROM TRAIN

More than an inch of snow fell at Grampian this morning, the cars in a Pennsylvania freight train passing here about 10 o'clock being plentifully covered with "the beautiful." The train was stopped at Market street for a few minutes where a track laying crew was at work and just after it started down Third street again a brakeman lost his footing and fell from the rear platform of the engine. He lit on his hands and knees and fortunately escaped serious injury. By the time he was able to gather himself up the train was almost half a block away and he valiantly started in pursuit. He had a "flat wheel" from the fall and made poor time, being forced to give up his chase after traveling about one hundred yards down the street. He caught up and resumed his place in the crew when the train stopped at the station.

"YOUR MEDICINE IS O. K."
Mrs. Chas. Rule, New Diggins, Wis., writes: "Your medicine is O. K. I think Foley's Honey and Tar is the best for coughs. I think your medicine is all you say it is. I know I would never be without it. You may use my name." Foley's Honey and Tar acts quickly, checks coughs, colds and croup, cuts the phlegm, opens air passages and allays irritation. It stops sleep-disturbing coughing at night. Children like it. Contains no opiates.

NEWS OF OUR NEIGHBORS CURWENSVILLE

Mrs. Annie Childs Ord died at the home of her daughter Mrs. O. H. Menzel, on Thompson street, at an early hour on Sunday morning, from pneumonia. She was aged 64 years, 4 months and 11 days. She came here several weeks ago to visit her daughter and was taken with a severe cold which resulted in pneumonia and her death. Her body was shipped on Monday to Toronto, Canada, her home, for burial.

James A. Maxwell and Miss Margaret Karstetter will be married at the William Penn hotel, Pittsburgh, on Wednesday evening, by Rev. H. T. Kerr. The wedding will be strictly private one. The young people are both from Curwensville, where they have many friends who will wish them unalloyed happiness as they continue their journey through life together.

It is useless to deny the fact that there are a number of scarlet fever cases in Curwensville at the present time. Not only among the children does the disease exist but several adults are also afflicted with the disease. People should use every effort in their power to keep their children from contracting the disease. Watch them closely, and at the first sign of a sore throat, etc., consult a physician at once. One case of genuine flu is reported from the South Side and some others who have it in light form.

The prices on clothing and shoes have dropped a small fraction in this town over and above the prices of a week ago. One merchant told us yesterday that these articles would be sold lower yet within the next few weeks. For instance a pair of heels that sold last week for \$9.00 can now be purchased for \$7.75, and a on down the line.

Last Saturday evening a number of invited guests gathered at the home of Mr. and Mrs. Harry Rhoades on George street and enjoyed a fine dinner prepared for them by Mrs. Rhoades, the event being in celebration of the birthday of her husband, Harry Rhoades.

The Cassidy mines at Hyde City has been shut down for some days in consequence of a little difficulty having arisen between the men and the operators. The men asked for free coal, among some other demands, which was refused them, and they refused to return to work. The employees of this mine were better paid than men from other mines received for their labor, and some of their demands seemed unjust.

RESPECTED GIRARD TOWNSHIP CITIZEN DIES

Emil Rougeux, one of the representative citizens and farmers of the lower end of the county, died at his home in Girard township on November 17, 1920, as the result of a general breakdown incident to advanced years, after an illness extending over several months.

The deceased was born September 13, 1837, and was therefore aged 83 years, 2 months and 4 days at the time of his death. His entire life was spent in the Frenchville section where he engaged successfully in farming and lumbering. He was a member of one of the pioneer French families to settle in that section and, like all those people, was an honest, industrious, upright man, and a good citizen at all times.

On June 23, 1865, he was united in marriage with Miss Mary Barr, who survives him, and to this union was born six children, as follows: Edmund, who died in infancy; John E. Rougeux, Gust E. Rougeux, Mrs. A. F. Coudriet and Amy Rougeux, of Frenchville, and Raymond Rougeux, of Surveyor. He is also survived by twenty-nine grand children and one great grand child. One brother John Rougeux, of Frenchville, also survives him.

He was a lifelong and devout member of the Catholic church and his funeral occurred from St. Mary's church Saturday morning at 10 o'clock, a high requiem mass being celebrated by Rev. Father Renehan. Interment in Frenchville cemetery.

If Back Hurts Begin on Salts

Flush the kidneys at once when Backache or Bladder bothers—Meat form uric acid

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only

part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This fa-

mous salt, is made from the juice of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful after-dinner drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
